It is rare that you'll find a girl as exotic and erotic as Uma in this line of work. The first thing about her is that she's probably way too hot to be taking her clothes off for money. But anyone who has watched enough of her videos sooner will want to give her all their man cream.

A HOT THREESOME

My Best Bud's Boyfriend

I hated Jarrod Barkley. It wasn't, like, personal I realized that he was just a television character. I hated Jarrod Barkley because whenever he dominated the opening scenes of the syndicated reruns of The Big Valley, I knew that Heath wouldn't be featured, and that sucked. Heath was my crush when I was an 18-year-old college freshman. He made me totally hot between my legs.

I don't even know how I got so stoked over a guy from a TV western that was made before I was born. He was just, like, so irresistible. I fantasized about doing it with Heath and masturbated my horny little pussy while I gazed at him. I totally creamed whenever he took off his shirt.

Shelly, my roommate and best bud, teased me about my obsession. "You cheesy cheeseball," she would say. "You are just soooo cheesy."

I couldn't argue with her it was cheesy to have a crush on Heath Barkley. But, you know, sometimes cheesy is cool. Yeah. Right.

Anyway, one afternoon I was watching The Big Valley, and it was plain that the episode would focus on my crush. I stripped naked, stretched out on my bed, and savored the thrilling tingles that warmed my loins as I watched Heath drive a team of horses along a rugged road. Oooo, he was so in control—he totally dripped testosterone. My little pussy absolutely sizzled with anticipation.

Shelly should have been in her history class, but I knew that she was cutting so she could meet Todd, her sophomore boyfriend, for some fun. I kind of envied Shelly sometimes because she was doing it. The only thing that had ever been in my pussy was my finger, and that didn't seem likely to change soon. I also envied her curvy little bottom because my butt was so tiny. Feelings of envy soon faded, however, because my crush was on the screen and I was dialing in on him.

In the episode that day, Heath ended up lying in the mud under a wagon. It wasn't the sexiest place for him to be, but the situation stoked my romantic fancy. I imagined that I was having my way with him while he was trapped and helpless.

My imagination endowed Heath with a cock that would make a bull blush. He whimpered, quivered, and moaned as I rubbed my downy muff against it; he shivered like a leaf in the breeze when I licked and sucked it. His erection throbbed with the vigor of a guy who is accustomed to having his own way but is intrigued with the possibility of entrusting his fate to another.

He begged for mercy, but I was determined to show him none. I longed to drive him so mad with passion that his only desire would be to shove his mammoth erection into

my trembling pussy the same way he'd driven his team of horses down the road. Never mind that it would have been physically impossible to fit such a huge cock into my untried crease. That's what fantasy is for.

I teased myself as much as I teased my fantasy fave; I refused even to touch myself as I imagined that I was slurping his rigid cock. Heath finally begged for the ecstasy of release, delivering himself fully and unequivocally into my supple hands and admitting that only I could provide the release that finally would satisfy his overwhelming desire. At last I reached between my legs and shivered mightily as I mounted Heath in my fantasy.

Before I could stuff my dream man into my impatient pussy, Shelly exploded into the room.

"That damn Walter came back," Shelly snarled, referring to Todd's nerdy roommate. "And I was so horny I could have died."

Shelly stared at me. Her mouth was wide open, her tongue poised for continued speech. I was naked, sprawled on the bed, with a goofy expression on my face, my legs open, and a hand on my muff. Shelly's lips curled insidiously. My pussy jumped, my nipples thickened, and my tiny titties jiggled—I was like a clock wound way past too tight.

Shelly undressed quickly, revealing the perfectly petite figure I'd seen many times. Shelly had tiny breasts, a teensy waist, and a heart-shaped bottom that begged for a pat. My figure was similar, but, like I said, my butt was smaller and less full. I had longed to touch her flawless flesh before, to stroke that soft, silky skin, but it seemed like such a freaky desire that I totally kept it to myself. In the state I was in that day, though, I was wide open, and my best bud knew it.

Shelly glanced at the television and giggled. "He's totally in the mud, girlfriend," she said before she grabbed the remote and clicked the television off. Then she climbed into bed and covered me with herself.

Shelly mounted me the same way a guy might mount a girl. I didn't know if lesbians did it that way it didn't matter anyway because we weren't lesbians but her approach sure worked for two horny college girls with no boys around to satisfy their desires.

I thought I was hot, but Shelly was absolutely on fire. She lined up our pussies, pressed hers against mine, and humped me like a sex addict just released from solitary confinement. Her passion was so complete and total that it

I gasped when I saw Todd beside the bed with his jeans down and his cock standing like a soldier at attention.

seemed to singe the fine hairs on my arms. I even had the sensation of Shelly expanding and throbbing inside me.

Shelly licked, sucked, and bit my stiff nipples, and humped me with ferocious abandon. Her swollen clit pulsed against mine two hearts beating as one, as they say. I caressed her and inhaled the fresh herbal scent that permeated her soft blonde hair.

Shelly stiffened suddenly, arched her back, and shrieked. Her pussy exploded against mine. I was nearing my own climax, but Shelly's outburst startled me so much that I opened my eyes. I gasped when I saw Todd beside the bed with his jeans down and his cock standing like a soldier at attention.

I totally don't know what got into me then it was like my mind left my body, yet somehow I was able to watch myself act. I shoved Shelly off me, hopped from the bed, dropped to my knees in front of my best bud's boyfriend, and locked my lips around his erection. Todd trembled and his teeth chattered, as I moaned with need.

Todd's cock wasn't anywhere near as big as the one Heath had in my fantasy, but it still stretched my jaws. I knew instinctively that it would stretch my pussy as well. I sucked Todd into my face until his tightening balls grazed

my chin.

When Shelly tapped my shoulder, it was like she was summoning me from a dream. "I'm so bad," I said as I backed away from her boyfriend's straining erection.

"No, you good," Todd said, mimicking Tarzan. He put his hand on my head and guided my mouth back to his tormented erection. I resisted until Shelly nodded to assure me that it was all right with her if I sucked her boyfriend's cock. She was, like, "Whatever, girlfriend," so I sucked her boyfriend like it was the last thing I would ever do.

Shelly stood, then hugged and kissed Todd as I continued to suck his totally stiff cock. Damn, the boy was hard enough to poke holes in granite.

"Suck him off," Shelly hissed. "Make him come in your mouth."

Todd shivered and caressed my frizzy auburn hair as I sucked him and fondled his balls. His erection stretched and thickened as his climax approached.

"Jesus," he gasped as a powerful spasm jerked his cock. I sucked him deep into my mouth and drank his whole load.

Spunk escaped from the corners of my mouth as Todd backed away and dropped onto his girlfriend's bed. I licked his jizz up while Shelly knelt beside me, kissed me, and sucked the semen out of my mouth. Then she pulled me up, dropped me on my bed, and mounted me again. I moaned while she ground her pussy against mine.

I grabbed my best bud's tight ass and humped her right back. Our stiff nipples touched; I growled as waves of erotic electricity shot through me.

Our juicy pussies locked in a french kiss, vulgar squishing sounds filled my ears, and all the muscles in my body seemed to contract at once. I arched my back and howled as my excited pussy convulsed.

Before my spasms had even stopped, Todd pushed his girlfriend aside. He had removed his clothes, and his cock was ready again.

"Please, Todd," I whispered. "Please."

Todd mounted me and rubbed his rigid cockhead against my moist, tender crease. I gasped and flinched as he nudged his erection into me. He hesitated for a moment, but I pressed his backside and urged him to continue. Todd eased inside me and filled me with his throbbing cock. Its fat base rubbed my bloated clitoris.

Shelly lay on her side and watched her boyfriend ride me. Todd's cock grew as it sank inside me. He consumed my tiny titties, taking each entirely into his mouth and running his tongue all around them. He nibbled my stiff nipples until I squealed with delight.

Shelly backed away as Todd pressed his lips against mine and gave me the kind of kiss that I often imagined receiving from Heath. My pussy snapped like a rubber band and squeezed his insistent erection, which reared like a wild horse that never would be broken.

"Jesus," Todd gasped.

I felt a frantic throb in his cock, the same type of throb I noticed just before he'd spurted before. "Yes, baby, yes," I cried. "God, shoot it in me, baby, shoot it all in me!" I clawed his back and lifted my hips to meet his persistent, though erratic, thrusts. My pussy opened, then collapsed around his wildly bucking cock. My best bud's boyfriend looked right into my eyes as he groaned, stiffened, and spewed his seed into me. The urgent helplessness that I saw in his eyes touched me deeply and intensified my orgasm.

When Todd finally rolled off me, Shelly was sitting on her bed, fully dressed, with her legs crossed and one foot

anxiously tapping the hardwood floor. It was plain to me even then that she had arranged our little threeway. I guess she had intended to rub it in that I didn't have a boyfriend by making me watch Todd do her. But it didn't work out that way, so she was majorly bummed because her boyfriend had given everything he had to her best bud. I couldn't really blame her, but, like, she totally asked for it.

In the following weeks, Todd visited me during The Big Valley several times. We didn't have any more threesomes, and Shelly became increasingly cool toward me. About two months later, after she found Todd's wristwatch under my bed, she confronted him in an angry tirade. She, like, totally lost it, and her parents arrived the next morning to take her home.

It's a year later now, and Todd and I are still going steady. He's no Heath, but I really don't think about Heath much anymore. Would you?

WRAP YOUR PUSSY LIPS AROUND THIS

GLAD WE WAITED

But now it was time

I was trembling with pleasure as I watched Joey's eyes. He was finishing unbuttoning my top. His fingers eased the dark fabric back, and I bit my lower lip. I'd sneaked out of the house without my bra, for like the first time ever. If my boyfriend didn't like my small titties and my thick, jutting nipples, I'd just die of embarrassment!

But it was now or never, I knew. So I shrugged one shoulder, then the other. My top fell behind me on the steps.

Joey looked at my titties, and his face got real serious. His fingertips lingered in mid-air, inches from my waiting flesh. I got all goosepimply, and my nipples got even stiffer, tingling with need. No lie, I was ready to wig out!

Joey's fingertips moved and touched, pressing down all around my barely legal titties. The corners of his mouth curled up as I gasped with delight. My tingly nips burned with swelling pleasure as my boyfriend squeezed my boobs.

Joey leaned in and kissed me. It was a slow, wet kiss. I trembled as he ended it. "Thank you for waiting," I said.

He just grinned. His hands moved so he was cupping, then lifting up, my never-before-touched titties. Joey's head dipped, real fast and sudden. He kissed a nipple. He put his lips around it and sucked, real eager and hard.

I put my head back and closed my eyes. My mouth was open, and I sure felt like moaning. I was like, "This is too much! This is Heaven! This is what I've been missing!!" At least, that's what I was trying to say. But no sound came out.

"It's okay, baby," Joey whispered. It was like he could read my thoughts. "You're 18 now, and we don't have to wait any more."

He was giving my other nip the same sweet treatment when I brought my head back up and blinked. My boyfriend looked totally gorgeous with half my little titty in his mouth. And when he looked up at me without stopping the suck-job…well, it got me so stoked I put both hands into his short hair and pulled his hot mouth back up to mine.

I gave him a mouthful of tongue, so bold it shocked us both. But we were both into it bigtime. There was no stopping us and, thankfully, no reason to stop.

Joey yanked the front of my skirt up. He rubbed between my legs with his other hand. I'd gone out braless, but I hadn't felt nervy enough to ditch my panties. After all, I hadn't known that Joey's family was away and we'd finally have the chance to make our first time all we'd dreamed of.

Luckily, I had worn my prettiest pair: satiny black bikinis with lace trim. Joey stared into my eyes as he fingered me. Through the panties, he could feel my wet, pulsing virgin opening.

"You're my girlfriend," he murmured, serious and flush-faced. "I love you. That's why I waited."

I quivered, helpless, while Joey pulled my satiny panties down. Meanwhile, I undid my skirt and tossed it down beside my top. I'd worn thigh-length black stockings so I'd look all sophisticated and sexy.

Now the stockings and my chunky-heeled shoes were all I had on. My boyfriend guided my bare butt onto the edge of the steps. He pulled his T-shirt off in one fast move and knelt between my wide-open legs. Joey put his shoulders against the under-

sides of my thighs and held my back with his cupped palms as he kissed my virgin pussy.

I stared down with open-mouthed astonishment, unable to believe that anything could feel better than his tender titty-sucking. But this did!

Next he kissed my pussy and wriggled his tongue back and forth, tickling and teasing my flaps. His tongue went into me, too, and swirled around until I gasped for air. At that point, Joey's eyes came up and met mine. I just about went mental. It felt like I was melting inside and out. My body was shaking and thrashing like I had no control over it!

"Was was that an orgasm?" I whispered after the storm had passed.

Joey grinned. "I sure hope so," he said. Then he dived back down on me again.

Slowly, my hips began to move again. I wriggled against Joey's sucking mouth and wonderfully teasing tongue. I held the back of his head and hunched myself against him. But I knew I couldn't do it again so quickly.

"Let me suck you," I begged suddenly.

Grinning wide, Joey kissed quickly up my body. Then he stepped back. He held my head and stroked my long hair as I got his jeans down and stretched his underwear to the side. I grabbed his dick with both hands and put it right in my mouth. I sucked. I kind of went wild with desire and lust. My head bobbed super-fast as I teased his balls, thigh, and fuzzy pubes with my fingers.

Somehow, I sensed when he was about to pop. Instead of shying away, I clamped my lips down tight around his shaft. That way, I could take his whole load in my mouth. Not one drop spilled, and I swallowed it all with pure joy, savoring the creamy richness of my boyfriend's spunk.

I looked up at him, sucking slowly. I knew he'd stay hard for me. It was like an instinct thing, you know? So I eased my lips back and put my hand around his dick. I led him upstairs by his sticky, but still rigid meat.

On his bed, I raised my legs and spread them apart. Joey's finger felt real good in me. Then, after he put on a rubber, his dick felt even better. He took my cherry with one loving lunge, then held me by the ankles and rode me through my first two orgasms before popping again himself.

Then we held each other real close. Both of us were so glad we'd waited till we both were legal and everything was perfect.

Ashlynn, Maryland

TASTE TEST

She's never sucked before...

I was 19 years old, and I'd never done oral sex. My first boyfriend was very conservative, and he insisted that putting sex organs in the mouth was unclean. Naturally, the more he talked about how dirty it was, the more I knew I just had to try it. Finally, I slipped off with his best friend. Rod wore tight-fitting, faded jeans that showed how his hot dog hung to the right. A dude who dressed like that couldn't say no to a little tongue action!

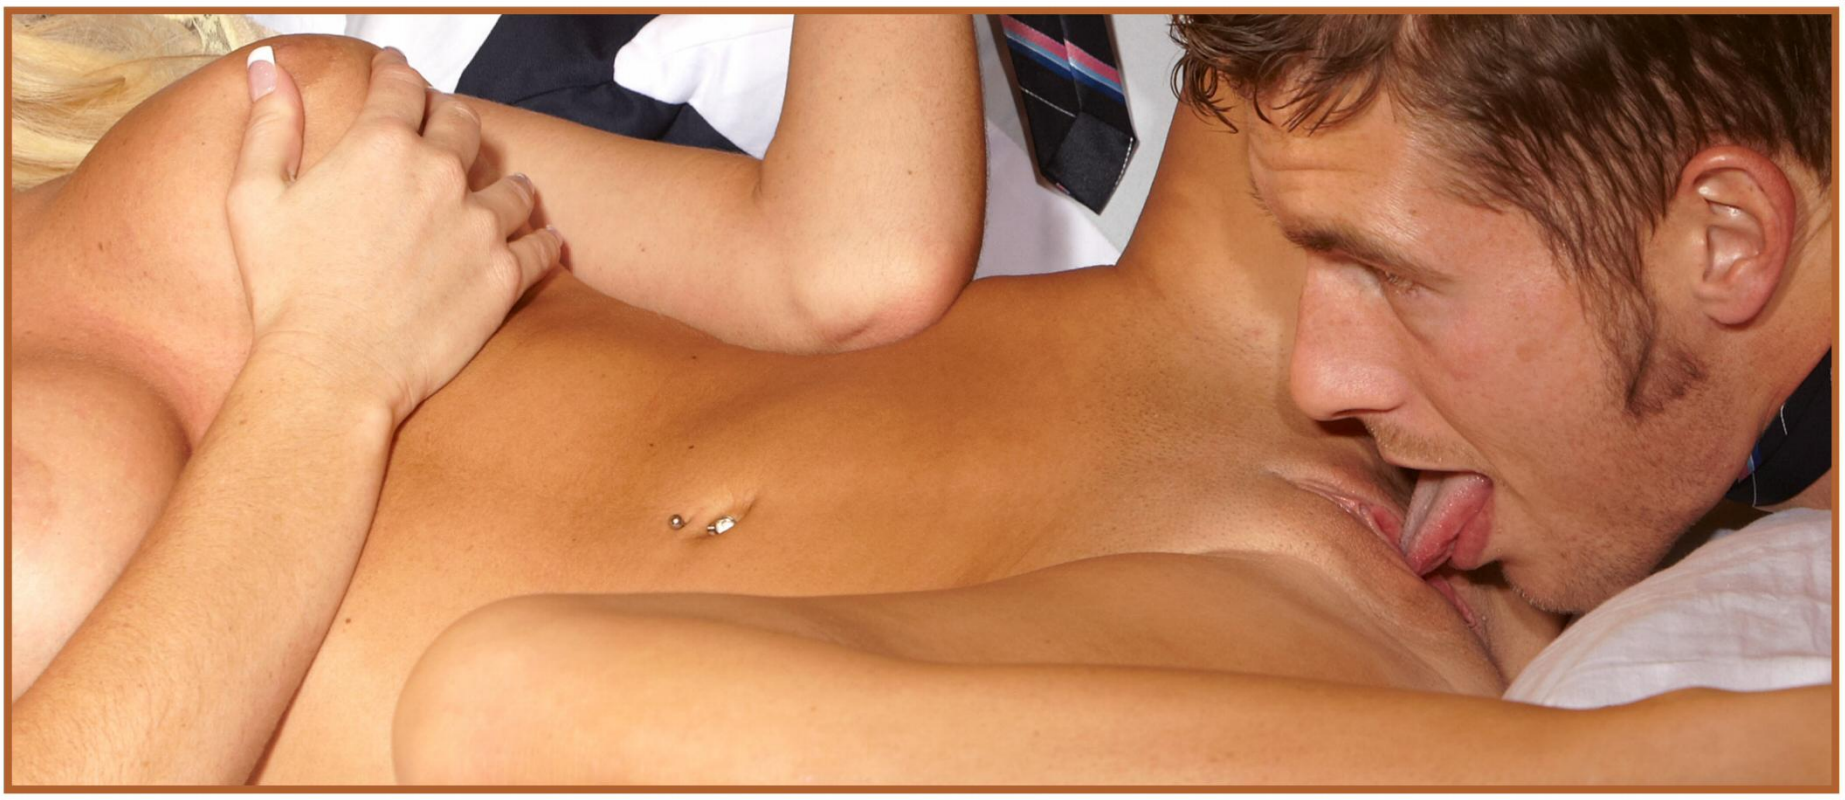

"Oh, baby, that feels soooo good," Rod purred as he sat back against the pillows and let his cock point to the ceiling. We hadn't really kissed or hugged a lot. I'd been so impatient that I'd stripped him right away and started licking frantically at the smooth, reddish-purple flesh of his engorged thing. I just kept wondering if Rod's cock was really bigger than my boyfriend's, or if it just looked bigger because I was seeing it eye to eye? The skin tasted clean and salty, but when I sniffed, I caught the undertone of male hormones. His musk turned me on as I continued to gobble him down.

"Oh, yes, baby, oh god yes," he murmured. He slipped a hand under my bare tits so that he could rub the pads of his fingers against my perky little nipples. My erect pinpoints felt as if they'd caught fire where he massaged them. The thrill went straight to my pussy, which was dripping heavily down the insides of my thighs. Gasp-

ing in pleasure and shock, I took the opportunity to stretch my mouth wide open and start gulping down Rod's hot dog. Mmm mmm good, as they say.

"Oh god, girl, tits just aren't enough," he sighed. "That feels so good, girl, oh god please. Give me your pussy, give it to me now!"

I ignored him, because I was too caught up in feasting on his cock. No way was I going to spit him out before I'd tasted his spunk on my tongue! I didn't want to be one of those uncool girls you heard about who barely gave a guy a lick and a promise for a blow-job. However, I had totally misunderstood what Rod was offering. He didn't mean for me to stop sucking so he could fuck me. He meant that we should be doing it to each other simultaneously! To get the point across, he grabbed my naked hips and suddenly swung my lower body around on top of his face!

Whoa! When I felt my pussy bump clumsily against his mouth, and his lips kissed my slit, I thought I'd died and gone to heaven. Since my first boyfriend wouldn't let me go down on him, I'd figured I'd never find a guy who'd do the same for me.

Rod didn't share any of his buddy's silly inhibitions, though. His tongue was already spiraling upward, spinning nastily into the folds of my pussy. He made it zoom right into my throbbing, pink love-hole. The drops of my juice had already been raining down my leg, and now they began to ooze into his mouth. He sucked noisily at my syrup, sending a thrill radiating all the way down to my toes.

This can't be real, I thought. I must be dreaming. But I just don't catch dreams this intense. Rod's hard-on was stirring around gently inside my mouth, rubbing insistently at all my most sensitive places. It was like being french-kissed by the world's thickest, most determined tongue. I slurped on his heavily veined flesh, savoring the salty taste of the pre-cum sauces that flowed from the tiny opening.

Remembering something I'd read in a magazine article, I stretched my lips way over my teeth so my mouth was softly padded to protect Rod's most sensitive flesh. The slight strain in my jaw was awesome proof that I was actually living out my fantasy, feasting on a man's equipment the way I'd always been dying to.

At the same time I was receiving those exquisite sensations in my tongue and taste buds, Rod's expert tongue was simultaneously investigating the secret places in my pussy. That guy had a built-in radar designed to find a woman's hottest-triggered nerve endings.

He didn't overlook the obvious, either. While his tongue slithered around inside my love canal, his upper lip pressed firmly and accurately against the tender spot just beneath my clitty. It felt like my ON button had gotten stuck, so I couldn't stop jerking and twitching in the spasms of pre-orgasm. If I hadn't had a mouthful of cock, I probably would have screamed. As it was, my entire body shuddered silently but dramatically as I kicked over into paradise.

Good as it felt, I wasn't that surprised when hot spasms rippled deliciously through my pussy. That's what being eaten is all about, right? What did shock me was the very similar spasms that moved through my mouth as Rod lurched into his own moment of truth. I gasped and shuddered happily as I swallowed thick gobs of sauce that tasted surprisingly like oysters. At last I know what it tastes like, I thought, as both my pussy and throat convulsed in time to his jerking spurts of release.

We slumped against each other for a moment. The heat of his temporarily drained cock burned against my lower lip. My pussy couldn't keep still. It rested for a moment, then bunched up again and tensed into a thrilling, surprisingly intense after-gasm.

"I want to do it again," I whispered softly.

Rod smiled. "You will, baby. Just give me five minutes to catch my breath."

It actually took him closer to two.

KALI

Kali comes out to the garden looking amazing with those gorgeous eyes, great hair and a huge beautiful smile. Soon, she's stroking her wet pussy with a lavender vibe with her ass in the air. It was a great day in the garden for all.

ALISON

Alison's been feeling attracted to her next door neighbor at the dorm, Jason, but she's also been too shy to do anything about it. He tells her that sexual exploration is natural, and it's okay if she wants to suck his cock. It's also okay for him to eat her out, and fuck her till she cums.
